La Qualità Sensibile

COLOMBO DESIGN

Concept

Ambientazioni evocative creano scenari unici, raccolti nell'attimo di un frangente, dove l'istante raccoglie la complessità del tempo attraversato. Tra colori, ombre, luci e trasparenze.

Evocative settings and unique scenarios capture a moment and encapsulate the passing of time. Among colours, shadows, lights, and transparencies.

A Family Company

SEMPRE VICINI A TE

Proprio come una famiglia accudisce i suoi membri con amore e dedizione, così Colombo Design cura i suoi prodotti, con gli stessi valori e le medesime tradizioni, per fare di ogni ambiente una casa, senza scendere mai a compromessi sull'autenticità. Un manifesto contemporaneo dell'essere creativi, curiosi e sperimentali.

HANDLES WITH CARE

Just like a family looking after its members with love and dedication, Colombo Design cares about its family of products and its production with the very same values and traditions, thus making every place a home.
No compromise on quality, functionality and authenticity.
Bonding heritage with creativity, curiosity and innovation.

Conventional warranties

30

TRATTAMENTO DI PROTEZIONE PVD
GARANTITO 30 ANNI

Quello utilizzato da Colombo Design è un processo di finitura mutuato dal settore dell'utensileria, in cui caratteristiche fisiche e meccaniche sono studiate per garantire prestazioni eccezionali di resistenza all'usura meccanica e al decadimento dovuto ad agenti ambientali e chimici. Il processo è stato messo a punto per garantire un notevole aspetto estetico, trasparenza e lucentezza, che fanno risaltare il design del prodotto. Tutti i prodotti trattati con il processo PVD, vengono preventivamente rivestiti con strati di rame, nichel e cromo per garantire un perfetto isolamento della materia prima sottostante. Trattamento con la garanzia di "30 anni" sulle finiture Oroplus, Oromat, HPS/1 Zirconium Stainless-Steel, Vintage, Vintage Mat, Grafite e Grafite Mat.

30-YEAR PVD TREATMENT PROTECTION
GUARANTEE

Colombo Design uses a finishing process borrowed from the tools industry, where physical and mechanical features have to guarantee a very high performance as far as mechanical wear and deterioration due to environmental and chemical agents are concerned. This finishing process also guarantees a high level of design where transparency and brightness allow the product to reveal. All PVD-treated products with High Protection System finishing are previously coated with layers of copper, nickel and chrome in order to guarantee the perfect insulation of the underlying raw material. Treatments with warranty of "30 years" are performed on Oroplus, Matt Gold, HPS/1 Zirconium Stainless-Steel, Vintage, Vintage Mat, Graphite and Graphite Mat finishing.

10

TRATTAMENTO DI PROTEZIONE
GARANTITO 10 ANNI

La lunga esperienza maturata nel settore dei trattamenti galvanici e della verniciatura, unita alla scelta di prestare particolare attenzione alla qualità nei processi produttivi, consentono a Colombo Design di garantire le finiture dei suoi prodotti oltre la normale copertura prevista dalla legge. È quindi con particolare orgoglio che offriamo ai nostri utenti la garanzia di "10 anni" sulle finiture Cromo, Cromat, Umber Bronze, Biancomat e Neromat. Questo impegno di durata nel tempo del prodotto è la nostra forte e alternativa risposta al consumismo «usa e getta», sinonimo di spreco ambientale e nemico della memoria collettiva, irrinunciabile valore di ogni società.

10-YEAR TREATMENT PROTECTION
GUARANTEE

The long experience in the field of galvanic treatments and painting, combined with the choice to pay special attention to the quality in production processes, enables Colombo Design to ensure the finishes of its products beyond the normal warranty provided by law.
With great pride we offer to the market the warranty of "10 years" on Chrome, Matt chrome, Silvermat, Matt white and Matt black finishings. This commitment on product durability is our strong and alternative response to a «disposable» consumerism, which leads to environmental waste and is the enemy of a collective memory, an essential value of all cultures.

Un approccio alla materia
proprio come l'avrebbe avuto l'aliseo,
plasmando e avvolgendo ogni contrasto
e accarezzando ogni dettaglio degli
accessori; ne risultano delle figure dai

le nuove sale da bagno ed a rinnovare

Approaching like the sail winds

Piet Billekens

Negli oggetti di uso quotidiano la ricerca del segno formale rende talvolta secondaria la funzionalità. Piet Billekens ha ristabilito nel progetto PLUS l'equilibrio tra concetto e funzione, disegnando complementi d'arredo non subordinati a stili o tendenze.
Massima attenzione ai materiali e peculiare controllo dei processi di lavorazione sono garantiti da Colombo Design che condivide il concetto di qualità totale.

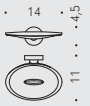

Sometimes the research of a formal design in everyday objects might give a secondary role to functionality. Thanks to Arch. Piet Billekens the project PLUS has re-established the balance between concept and function, designing furnishing complements free from any style or trend. The highest attention was also given to the materials, with a peculiar control to the manufacturing process granted by Colombo Design that shares the common concepts of total quality.

The Basic Collection

Basic

The affordable quality

"L'essenzialità è difficile
da raggiungere: quando vediamo
qualcosa di talmente semplice
che ci fa dire "potevo farlo io",
significa che dietro c'è il lavoro
di un team di progettisti
che ha lavorato per l'essenzialità.
BASIC è la nuova sfida
di Colombo Design: oggetti pensati,
curati e caratterizzati da una qualità
ed un prezzo "accessibile".

Essentiality is difficult to achieve:
when we see something so simple
that makes us say "I could have
done it by myself", means that a team
of designers worked for it behind the
scenes. BASIC is the new challenge of
Colombo Design: objects designed,
thought and created with an accessible
quality and affordability.

NEW

Il bagno contemporaneo non è più solo uno spazio funzionale, ma una vera stanza della cura di sé.
Le nostre nuove mensole in alluminio trasformano l'ambiente con un'estetica minimale e sofisticata, pensata per chi non scende a compromessi tra stile e praticità.
Una silhouette leggera e geometrica veste le pareti attraverso tre interpretazioni cromatiche d'alta tendenza: l'intramontabile e rigoroso Neromat, il candore architettonico del Biancomat e la calda, magnetica matericità dell'Umber Bronze.
Il segreto del loro fascino risiede nel perfetto equilibrio tra forma e funzione: un design intelligente che permette di sganciare il ripiano con un solo gesto. Questo consente di mantenere le superfici sempre impeccabili, pure e libere da ogni traccia di calcare. Non una semplice mensola, ma un dettaglio di puro stile che ridefinisce l'architettura del tuo benessere.

The contemporary bathroom is no longer just a functional space, but a true space for personal care.
Our new aluminum shelves transform the space with a minimalist and sophisticated aesthetic, designed for those who don't compromise on style and practicality.
A light, geometric silhouette adorns the walls in three trendy colorways: the timeless and rigorous Neromat matt black, the architectural candor of Biancomat matt white and the warm, magnetic texture of Umber Bronze.
The secret of their charm lies in the perfect balance between form and functionality: a clever design that allows the shelf to be detached with a single movement. This keeps surfaces clean and free of any trace of limescale. More than just a shelf, but a detail of pure style that redefines the architecture of your well-being.

The material, in fact, is obtained by treating the leather with 100% natural latex, giving the leather elasticity and resistance. Subsequent processing with fats and natural dyes gives the material excellent resistance characteristics.
