Gli architetti Anna e Carlo Bartoli hanno realizzato complementi d'arredo essenziali, progettati con rigore stilistico per ricomporre gli spazi dell'ambiente bagno. Il programma Isole evolve e si concretizza in un sistema di piantane e colonne polifunzionali a parete.

In their characteristic concise and elegant style, Anna and Carlo Bartoli have developed the "Isole Collection" to create a system of multi-functional free-standing bathroom accessory columns.

UNITS

La collezione di piantane e colonne Units esprime il concetto di forma con funzione e di lusso con linearità. Elementi d'arredo che caratterizzano lo spazio con soluzioni esclusive ma universali dove l'accessorio, spesso oggi nascosto, torna ad essere assoluto protagonista della stanza da bagno.

The Units collection of wall and standing columns is the expression of form and functionality in a rich but linear way. Furnishing elements mark out the space with exclusive but at the same time universal solutions, where the bathroom accessories are not hidden any more and represent the leading element in bathroom decoration and furnishing.

COLLECTION

Trenta Mood Collection. Arreda con i colori.

Trenta Mood Collection di Colombo Design porta i colori nell'ambiente bagno e cambia prospettiva allo stile minimalista.

Ispirati dalla linea maniglie Mood Collection, gli accessori bagno serie Trenta si personalizzano: diventano un compromesso tra esigenze estetiche e funzionali dove il colore diventa, ancora una volta, protagonista indiscusso e rappresentazione di uno stile di vita.

Il bagno entra in scena con originalità e carattere trovando nel colore un nuovo linguaggio visivo: gioca con le forme e offre soluzioni estetiche innovative.

"Reazione" è la parola chiave per gli accessori da bagno della serie Trenta Mood Collection sempre più espressione delle combinazioni creative del progettista e della capacità di adattamento al *sentiment* del committente.

A disposizione una gamma di 8 colori, accuratamente selezionati per poter definire il "good mood" con accostamenti tono su tono o in contrasto. Ne facciamo di tutti i colori!

L'elevata qualità del materiale e l'utilizzo di vernici di ultima generazione sono espressione di un rinnovato impegno verso la tutela dell'ambiente e la riduzione dello spreco delle risorse, fattori che consentono di estendere la garanzia di questa collezione a 10 anni.

La gestione accurata dei processi produttivi è confermata dalla certificazione UNI EN ISO 14001 «Sistema di gestione ambientale certificato».

Trenta Mood Collection. Decorating with colors.

Trenta Mood Collection by Colombo Design brings colors to the bathroom and changes perspective to the minimalist style.

Inspired by our Mood Collection door handle line, Trenta bathroom accessories are personalized: a compromise between aesthetic and functional needs where color becomes once again the undisputed protagonist and representation of a lifestyle.

The bathroom enters the scene with originality and character, finding a new visual language in color: it plays with shapes offering innovative aesthetic solutions. "Reaction" is the key word for the bathroom accessories of Trenta Mood Collection, becoming an expression of the designer's creative combinations and the ability to adapt to the customer's *sentiment*.

A range of 8 carefully selected colors is available to define the "good mood" with tone-on-tone or contrasting combinations. We are up to all sorts of colors!

The high quality of the material and the use of latest generation paints are the expression of a renewed commitment to protecting the environment and reducing the waste of resources, factors that allow the warranty of this collection to be extended to 10 years.

The careful management of production processes is confirmed by the UNI EN ISO 14001 "Certified environmental management system" certification.
