TRATTAMENTO DI PROTEZIONE PVD
GARANTITO 30 ANNI

Quello utilizzato da Colombo Design è un processo di finitura mutuato dal settore dell'utensileria, in cui caratteristiche fisiche e meccaniche sono studiate per garantire prestazioni eccezionali di resistenza all'usura meccanica e al decadimento dovuto ad agenti ambientali e chimici. Il processo è stato messo a punto per garantire un notevole aspetto estetico, trasparenza e lucentezza, che fanno risaltare il design del prodotto. Tutti i prodotti trattati con il processo PVD, vengono preventivamente rivestiti con strati di rame, nichel e cromo per garantire un perfetto isolamento della materia prima sottostante. Trattamento con la garanzia di "30 anni" sulle finiture Oroplus, Oromat, HPS/1 Zirconium Stainless-Steel, Vintage, Vintage Mat, Grafite e Grafite Mat.

30-YEAR PVD TREATMENT PROTECTION
GUARANTEE

Colombo Design uses a finishing process borrowed from the tools industry, where physical and mechanical features have to guarantee a very high performance as far as mechanical wear and deterioration due to environmental and chemical agents are concerned. This finishing process also guarantees a high level of design where transparency and brightness allow the product to reveal. All PVD-treated products with High Protection System finishing are previously coated with layers of copper, nickel and chrome in order to guarantee the perfect insulation of the underlying raw material. Treatments with warranty of "30 years" are performed on Oroplus, Matt Gold, HPS/1 Zirconium Stainless-Steel, Vintage, Vintage Mat, Graphite and Graphite Mat finishing.

10

TRATTAMENTO DI PROTEZIONE
GARANTITO 10 ANNI

La lunga esperienza maturata nel settore dei trattamenti galvanici e della verniciatura, unita alla scelta di prestare particolare attenzione alla qualità nei processi produttivi, consentono a Colombo Design di garantire le finiture dei suoi prodotti oltre la normale copertura prevista dalla legge. È quindi con particolare orgoglio che offriamo ai nostri utenti la garanzia di "10 anni" sulle finiture Cromo, Cromat, Umber Bronze, Biancomat e Neromat. Questo impegno di durata nel tempo del prodotto è la nostra forte e alternativa risposta al consumismo «usa e getta», sinonimo di spreco ambientale e nemico della memoria collettiva, irrinunciabile valore di ogni società.

10-YEAR TREATMENT PROTECTION
GUARANTEE

The long experience in the field of galvanic treatments and painting, combined with the choice to pay special attention to the quality in production processes, enables Colombo Design to ensure the finishes of its products beyond the normal warranty provided by law.
With great pride we offer to the market the warranty of "10 years" on Chrome, Matt chrome, Silvermat, Matt white and Matt black finishings. This commitment on product durability is our strong and alternative response to a «disposable» consumerism, which leads to environmental waste and is the enemy of a collective memory, an essential value of all cultures.

Essentiality is difficult to achieve:
when we see something so simple
that makes us say "I could have
done it by myself", means that a team
of designers worked for it behind the
scenes. BASIC is the new challenge of

thought and created with an accessible
quality and affordability.

Una silhouette leggera e geometrica veste le pareti attraverso tre interpretazioni cromatiche d'alta tendenza: l'intramontabile e rigoroso Neromat, il candore architettonico del Biancomat e la calda, magnetica matericità dell'Umber Bronze.
Il segreto del loro fascino risiede nel perfetto equilibrio tra forma e funzione: un design intelligente che permette di sganciare il ripiano con un solo gesto. Questo consente di mantenere le superfici sempre impeccabili, pure e libere da ogni traccia di calcare. Non una semplice mensola, ma un dettaglio di puro stile che ridefinisce l'architettura del tuo benessere.

The contemporary bathroom is no longer just a functional space, but a true space for personal care.
Our new aluminum shelves transform the space with a minimalist and sophisticated aesthetic, designed for those who don't compromise on style and practicality.
A light, geometric silhouette adorns the walls in three trendy colorways: the timeless and rigorous Neromat matt black, the architectural candor of Biancomat matt white and the warm, magnetic texture of Umber Bronze.
The secret of their charm lies in the perfect balance between form and functionality: a clever design that allows the shelf to be detached with a single movement. This keeps surfaces clean and free of any trace of limescale. More than just a shelf, but a detail of pure style that redefines the architecture of your well-being.

ADJ Collection è un'ampia gamma di accessori di qualità completamente personalizzabili e di articoli di interior design per casa, ufficio, yachts, jet privati, hotel e ristoranti.
ADJ Collection riprende la tradizione della decorazione degli ambienti, rivisitandola ed incarnandola in forme moderne, infondendo vita e comfort a qualsiasi interno.
Tutti i prodotti di ADJ Collection utilizzano uno speciale trattamento protettivo su ambo i lati che garantisce maggiore resistenza all'abrasione ed ai graffi, facile pulizia, conservazione di colore e forma.
Ideale anche per decorare spazi esterni.
La pelle utilizzata nella produzione degli articoli ADJ Collection richiede precisione ed alta tecnologia, questo la rende più pregiata rispetto alla pelle tradizionale. Il materiale, infatti, si ottiene trattando la pelle con lattice naturale al 100% conferendo alla pelle elasticità e resistenza. La successiva lavorazione con grassi e coloranti naturali dona al materiale eccellenti caratteristiche di resistenza.
Tutti i prodotti della ADJ Collection sono studiati con l'obiettivo di essere un comodo e pratico accessorio nella vita quotidiana, distinguendosi per eleganza e stile in ogni ambiente: casa, ufficio e spazi esclusivi.

ADJ Collection is a wide range of fully customizable quality accessories and interior Design items for home, office, yachts, private jets, hotels and restaurants.
ADJ Collection takes up the tradition of room decoration, revisiting it and embodying it in modern forms, infusing life and comfort into any interior. All ADJ Collection products use a special protective treatment on both sides which guarantees greater resistance to abrasion and scratches, easy cleaning, color and shape retention.
Also ideal for decorating outdoor spaces.
The leather used in the production of ADJ Collection items requires precision and high technology, this makes it more valuable than traditional leather. The material, in fact, is obtained by treating the leather with 100% natural latex, giving the leather elasticity and resistance. Subsequent processing with fats and natural dyes gives the material excellent resistance characteristics.
All the products in the ADJ Collection are designed with the aim of being a comfortable and practical accessory in everyday life, standing out for their elegance and style in any environment: home, office and exclusive spaces.
